FedEx Delivers Holiday Spirit to Troops and Military Families

Farmers in 15 States Donate 3,000 Christmas Trees

MEMPHIS, Tenn. – November 16, 2005 – FedEx Corp. (NYSE:FDX) and the Christmas Spirit Foundation today launched their “Trees for Troops” campaign, a nationwide program to deliver more than 3,000 freshly cut Christmas trees to soldiers and their families at military bases across the United States and to troops overseas.

The program kicked off in Columbus, Ohio when FedEx joined forces with the Ohio Christmas Tree Association’s “Operation Evergreen” to collect, pack and ship more than 200 Christmas trees to soldiers serving in the Middle East. The international transport to Qatar will depart today from the FedEx Express hub in Indianapolis.

In addition to the international transport, the Trees for Troops program will collect and deliver 3,000 freshly cut trees to military bases in the United States between November 16 and December 9.

FedEx Freight will provide the pickup-and-delivery service for the Christmas Spirit Foundation, the philanthropic arm of the National Christmas Tree Association.

“During a time of year when friends and family gather with loved ones, we must also remember the service men and women stationed overseas this holiday season,” said Douglas G. Duncan, president and chief executive officer, FedEx Freight. “With this small gesture, we want to extend a special thank you to our brave troops and their families.”
